Girls Basketball:

The NHS girls varsity basketball opened its season on a positive note defeating two large 6A high schools and winning the Hatboro-Horsham "Hatters" Tip-Off Tournament this past weekend. In both games the NHS aggressive defense gave up no more than 15 points. In Friday night's win vs Bensalem HS scoring for NHS was nicely balanced. Senior **Kelly Hyland** led the way with 14 points followed by **Sarah Wilson** with 7. **Alana Davidson**, **Bella DeVito** and **Katie Costello** added 6 points a piece. **Jordyn Sherman** chipped in with a big 3 pointer and Freshman **Sabrina Vlahovic** added 2 points. Zoe Palau rounded out the scoring with 1 point. **Final score Lions 45 -Bensalem 15.**

In Saturday's championship game NHS matched up with host Hatboro-Horsham HS. The NHS defense remained suffocating and held their opponent to just 14 total points. Hatboro-Horsham was held scoreless in the 2nd quarter and only scored 3 points in the 3rd and 4th quarters combined. **Alana Davidson** controlled the middle with 4 blocked shots and **Katie Costello** controlled the boards with 10 rebounds. Offensively NHS was firing on all cylinders as it was raining 3-pointers. **Bella DeVito** led all scorers with 12 points including three 3-pointers. **Alana Davidson** recorded her first double/double as a Lion with 11 points and 10 caroms in just 3 quarters of play. **Sarah Wilson** filled up the stat sheet with 9 points, 7 assists, 3 steals and 3 rebounds. **Katie Costello** added 8 points and **Kelly Hyland** 7. Freshman **Katie McDonnell** scored her first varsity points in memorable fashion draining a deep 3-pointer to start the 4th quarter. **Final score: NHS-50-Hatboro-Horsham-14.**
